### Technical Check:

To give you a complete overview of your Porsche Classic, we have performed a technical check on your car. The technical statements refer to a visual and functional inspection performed by Porsche Classic Technicians from your Porsche Classic Partner of Sampletown on 1/12/2018.

### During the technical check on your vehicle, the following test points failed to meet requirements:

Tire front left  
Tire rear right  
Spare wheel  
Wipers front/rear  
Tire rear left  
Tire front right  
Windscreen and headlight washer luid  
Locking (doors and lids)

### **Expert opinion from your Porsche Classic Partner:**

A visual inspection of the engine serial number and transmission serial number indicated a match to our original serial numbers records. Overall, the vehicle shows minor faults on some parts but there is no acute need for action. The paintwork is in excellent condition and shows minimal inclusions. The body is in excellent condition and shows no visible damage. The interior appears in excellent condition corresponding to the year of construction. The engine has no visible/obvious leakages. The front pads and front rotors are only showing minimal wear. The rear pads and rear rotors are only showing minimal wear. There is no need for action with the suspension, it's in excellent condition. Thank you very much for bringing your car in for inspection and we are very much looking forward to seeing you again.

The information in this certificate listing the original delivery state of your vehicle has been researched to the best of our knowledge. We assume no liability for the accuracy of the information provided. Furthermore, this certificate contains no declaration concerning whether the vehicle is currently in its original delivery state. Changes on this vehicle performed after the technical check cannot be considered. With this document we assume no guarantee for the functionality of the vehicle nor is this a reference for a purchase recommendation.

We wish you a safe ride and a lot of fun with your Porsche Classic. For further questions please do not hesitate to contact us.

Best regards
