Porsche Exclusive Manufaktur.

**Your inspiration.
Our passion.**

Our wealth of experience goes back a long way. Since the very beginning, we at Porsche have been dedicated to realising customer wishes as part of our special request service. Known until 1986 as the Porsche 'Sonderwunschprogramm', then as 'Porsche Exclusive', today we call it 'Porsche Exclusive Manufaktur'.

We love what we do. We love our work. Every seam, every square inch of leather, and every single fine detail receives the same devotion. We transfer our experience and passion to the car together with your inspiration – that's how we bring dreams to life. Directly from the Manufaktur.

None of this would be possible without originality, enthusiasm and attention to detail, beginning as early as the consultation stage. That's because we always keep one thing in mind: fulfilling your individual wishes and requirements, thus turning 'a Porsche' into 'your Porsche'.

How do we fulfil these wishes? With composure and meticulous care, by means of precision handcrafting and the use of exquisite materials such as leather, Alcantara®, carbon, mahogany or aluminium, creating a product from dedication and craftsmanship. In other words, we handcraft a product that blends sporty performance, comfort and style and reflects your own personal taste. A Porsche with your signature touch.

We offer a wide range of personalisation options, with visual and technical enhancements for the interior and exterior, from a single alteration to an extensive modification. Because your inspiration is our passion.

Be inspired by our examples showcased on the following pages and visit www.porsche.com/exclusive-manufaktur to discover everything you need to know about how to configure one of your very own.

Porsche Exclusive Manufaktur.

Interior trim package with decorative stitching and seat centres in leather in a contrasting colour.

How about even more freedom to form the vehicle interior design? The interior packages from Porsche Exclusive Manufaktur make it possible to configure your Porsche to meet your individual needs, while lending additional accents to the interior. With the interior trim package with decorative stitching in contrasting colour, for example. Or maybe demonstrate your attention to detail by integrating leather-trimmed seat centres in a contrasting colour.

These packages are available across all model ranges, in all standard, club and natural leather colours, as well as in selected special colours. Whether used individually or in combination, the result is always a harmonious overall concept that makes your Porsche one thing above all else: one-of-a-kind.

1 Interior trim package with decorative stitching and seat centres in leather in a contrasting colour: decorative stitching in Bordeaux Red, seat centres in Crayon leather

718 personalisation

A sports car as unique as your fingerprint.

The 718 Boxster and 718 Cayman were created for a life dedicated to sport. Both these mid-engined sports cars transfer the sporting spirit of the legendary Porsche 718 to the world's roads. Because they are different: more dynamic, more uncompromising and more individual.

Enhance this personality with the numerous options from Porsche Exclusive Manufaktur. Such as the dashboard trim package in leather and inner door sill guards in leather with decorative stitching in contrasting colour.

Or how about a painted vehicle key with a key pouch in leather?

We are confident that there will be virtually no limits to your imagination.

1 Extended interior trim package with decorative stitching in contrasting colour (order no. XVI): Crayon, seat centres in leather in contrasting colour (order no. XVN): Crayon

718 personalisation.

Are you thinking that the 718 cannot possibly be improved upon? Guess again and see for yourself.

911 personalisation

**We believe in the love of the sports car.
And attention to detail.**

The dream of a sports car – built according to your own preferences. Ferry Porsche realised this dream with the 356 No. 1. Ferdinand Alexander created a more than worthy successor with the 911. And you also have the opportunity to customise the 911 in line with your own personal requirements.

At Porsche Exclusive Manufaktur, we create much more than a sports car: we devise your dream car. By respecting your wishes. Down to the very last detail. How about equipping your 911 with air vents in leather? And combining these with personalised

floor mats with leather edging? There are almost no limits to your imagination.

Take inspiration from a variety of configuration options on the following pages and let your creative spirit run wild.

1 Interior trim package with decorative stitching in contrasting colour (order no. 6RD): Crayon

Panamera personalisation

Sometimes life is simply a wish list.

Lateral thinking is a tradition at Porsche. We combine apparent opposites: performance and comfort. Dynamics and efficiency. And the result? Unparalleled vehicles such as the Panamera. Enriched by your own personal ideas.

Porsche Exclusive Manufaktur has many possibilities, and almost no limits. How about a dashboard trim package in leather or personalised floor mats in carbon with leather edging? Allow yourself to be inspired and create the Panamera of your dreams.

So that the mere sight of your unique vehicle releases so many endorphins that you'll repeatedly experience goosebumps.

Macan personalisation

Exclusivity is born from a need to escape an everyday routine.

The Macan – built for life at its most intense. For a life in which the thirst for adventure and thrills are omnipresent. In which new challenges provide permanent motivation. Built for an existence that is not determined by convention. And therefore feels authentic. Direct and first hand.

But even an intense lifestyle can still become more diverse and exclusive. With personalised floor mats with leather edging, for example. Or reversible luggage compartment mats with leather edging including loading edge protection.

Benefit from all the design freedom you need. We are happy to provide a large, inspiring range of colours and materials.

Cayenne personalisation

**If you are fascinated by the bigger picture –
then why not by every detail?**

How are sports cars built? Exactly the same way they are driven: with enormous enthusiasm. And a great deal of passion. Thereby creating a vehicle that masters daily commutes as confidently as the Laguna Seca Raceway. That breathes increased sportiness into both professional and family life. Because it is one thing above all else: a Porsche. Packed with dynamism, diversity and personality. Just like the Cayenne.

Make it a little more personal. We can fulfil almost any requirement you may have.

Our aim: agility, combined with originality.
Or put another way: your one-of-a-kind vehicle.

1 Interior trim package with decorative stitching in a contrasting colour (order no. YZD): Crayon

Cayenne personalisation.

Individual customer consultation.

Creating your Porsche. At Porsche Exclusive Manufaktur, this is as individual as your requirements.

The personalisation of your sports car is an affair of the heart. For you – and for us. There is probably no better place to express this shared passion than the factory in Zuffenhausen – at the heart of the brand – where you will receive excellent advice from our experts, with their extensive knowledge of all options and vehicle models.

Exclusive access to our materials archive rounds off our offer. And of course, you'll also have the opportunity to view unique showpieces. This service is not only limited to Zuffenhausen, but is also available at international locations.

One of the highlights of your visit is a tour of the Porsche Exclusive Manufaktur. Here you can gain first-hand experience of what attention to detail means for us. We'll also offer you a globally unique collection of material and colour swatches, including examples of individual leather colours and paint.

1) Data determined in accordance with the measurement method required by law. Since 01 September 2017 certain new cars have been type approved in accordance with the Worldwide Harmonized Light Vehicles Test Procedure (WLTP), a more realistic test procedure to measure fuel consumption and CO₂ emissions. From 01 September 2018, the WLTP replaced the New European Driving Cycle (NEDC). Due to the more realistic test conditions, the fuel consumption and CO₂ emission values determined in accordance with the WLTP will, in many cases, be higher than those determined in accordance with the NEDC. This may lead to corresponding changes in vehicle taxation from 01 September 2018. You can find more information on the difference between WLTP and NEDC at www.porsche.com/wltp. Currently, we are still obliged to provide the NEDC values, irrespective of the testing method used. The additional reporting of the WLTP values is voluntary until their obligatory use. As far as new cars, (which are type approved in accordance with the WLTP) are concerned, the NEDC values will therefore be derived from the WLTP values during the transition period. To the extent that NEDC values are given as ranges, these do not relate to a single, individual car and do not constitute part of the offer. They are intended solely as a means of comparing different types of vehicle. Extra features and accessories (attachments, tyre formats etc.) can change relevant vehicle parameters such as weight, rolling resistance and aerodynamics. Additionally, weather and traffic conditions, as well as individual handling, can affect the fuel consumption, electricity consumption, CO₂ emissions and performance values of a car.

2) Valid in the countries listed only.

3) The average CO₂ emissions value of all new vehicles sold in Switzerland is 137g/km.
