As folhas de salvamento da Porsche foram criadas exclusivamente por forças de salvamento que têm uma formação profissional na área técnica de salvamento de pessoas de veículos após acidentes de tráfego e só podem ser usados para este fim.

Contêm entre outros, informações relativas à carroceria, sistemas de segurança passivos como também sistemas de acionamento alternativos e representam o máximo de variantes de equipamento possíveis.

A Porsche não é um especialista para a execução de ações de salvamento. Por isso, é necessário que as forças de salvamento avaliem estas informações antes de uma aplicação de salvamento e que, com base neste conhecimento especializado, desenvolvam estratégias e tomem decisões. Recomendamos que no ramo dos seus exercícios todas as forças de salvamento avaliem veículos representativos da Porsche, de forma a poderem compreender estas informações em toda a sua abrangência.

A obra e as diferentes partes são protegidas por direitos autorais. Qualquer utilização comercial necessita de uma confirmação prévia por escrito por parte da Porsche AG. O que é válido especialmente para a reprodução, processamento, edição, tradução, realização de microfichas e/ou para processamento em sistemas eletrônicos, incluindo bancos de dados e serviços online.

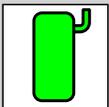

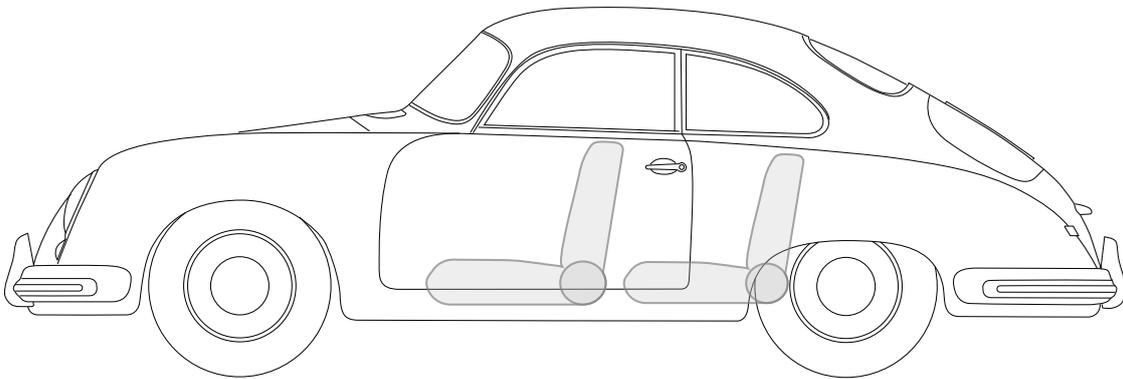

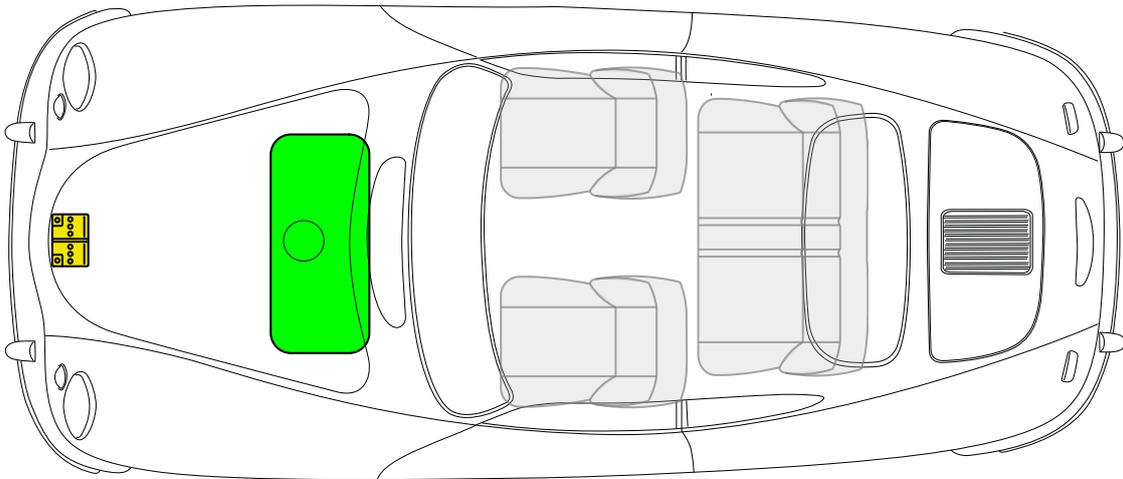

A Porsche reserva o direito a quaisquer adaptações ou alterações dos conteúdos das folhas de dados de salvamento. Na altura da criação as informações eram atuais. A Porsche exclui quaisquer obrigações com relação à atualização, alteração ou substituição destas informações.
